

## **SEEKING GUIDANCE FOR YOUR S/HERO'S LIFE JOURNEY ACTIVITY**

Do you have a wish, a creation, a passion, purpose or practice which you wish to bring forth into the world?

Do you feel heavy of heart, lost, in need of an important life change, wishing to offer more service to our community and environment?

Reach Out! Your Godmother is the one to seek. We are here! Our names are below and there are many more Valley Wise Women and Crones to offer unique and specialized mentorship.

## **ALTAR DEDICATION**

We offer special Gratitude to long-time Godmothers Genevieve and Adele Bachman whose land and House on the Hill are the site for this Altar. They have lovingly and gently stewarded and dwelt in this Place Spirit for over 52 years. Please offer a blessing or prayer for this precious homestead

Blessings from: Your Godmother and Vinotok Founder, Marcie Telander with Audrey Anderson, your Elf Witch and Red Lady, and Peggy Morgan Stenmark, your Alchemical Artist. Special Gratitude to the Wise Women who have guided and continue to guide the Vinotok Celebrations.
